HONDA VEHICLE SERVICE PLANS

3 YEARS OR

5 YEARS

Our Vehicle Service Plans and maintenance packages are designed to not only keep your Honda in optimum running condition, but also to provide you with clarity regarding servicing costs. These plans are offered exclusively by approved Honda Agents and provide the following benefits:

- Your vehicle will be serviced by Honda trained technicians
- Only genuine Honda Parts, Oils and Fluids will be used
- Protection against price increases, due to inflation and other factors
- Maximise your vehicle's value by keeping it in top condition
- Service Plans are transferable with the sale of your vehicle
- Parts and labour costs are covered for Standard Service items (excludes wear and tear items)

SERVICE, SAFETY & OPERATIONAL CHECK PACKAGE

A comprehensive service is about physically doing certain things to maintain your car like replacing the engine oil and oil filter, and also running operational checks to see that all components are in good condition. If we find anything unusual or an item which needs further attention, we will discuss this with you first before any work is undertaken.

TERMS AND CONDITIONS

ELIGIBILITY

Honda Vehicle Service Plans (VSPs) are available for purchase on or before the date of your first vehicle service.

VEHICLE SERVICING

It is the responsibility of the customer to ensure the following as part of the Honda VSP:

1. All service, maintenance, and repairs on the vehicle are completed by an approved Honda New Zealand Agent.
2. Servicing is scheduled and completed in the time / kilometre interval, as stated in the Honda New Zealand Service Schedule for your vehicle.
3. All necessary additional maintenance identified during the service is completed in the timeframe recommended.

Coverage of the Vehicle Service Plan begins at the date of first registration / purchase.

The Vehicle Service Plan does not include Warrant of Fitness, or vehicle relicence / registration.

Wear and tear items such as tyres, brake pads, wiper blades, etc, are not included in the Service Plans and are additional costs charged to the customer as required.

Vehicle Service Plans are not available on Government, Rental, or Fleet purchases and Leases.

COVERAGE OF THE CONTRACT EXPIRES ACCORDING TO THE TERMS OF YOUR PLAN:

3 Year VSP - 3 years after the date of first registration / date of purchase, or at 45,000 total vehicle kilometres, or maximum of 3 Services, whichever comes first.*

5 Year VSP - 5 years after the date of first registration / date of purchase, or at 75,000 total vehicle kilometres, or a maximum of 5 Services, whichever comes first.*

* The kilometres outlined are vehicle specific and may differ for some models. Talk to your local Honda Agent for details.

Service Plans are only transferable to the new owner with the sale of your vehicle.
