

HONDA

**MADE FOR WHEREVER YOU'RE GOING,
ON ROAD OR OFF. THE HR-V AWD IS A NEW
WAY TO DRIVE – SPACE, STYLE, AND QUALITY.**

HR-V AWD

1.5L DOHC i-VTEC Engine with:
EarthDreams Direct Injection Technology
96kW @ 6600rpm and 155Nm @ 4600rpm
EarthDreams Automatic CVT Transmission
Intelligent Real Time AWD
16" Alloy Wheels
Tailgate Spoiler
Roof Rails
Smart Proximity Key with Push Button Start/Stop
Front Fog Lamps
Intelligent Auto LED Headlights with auto levelling
LED Daytime Running Lights (DRL)
Electric Adjustable Door Mirrors with LED Indicators
LED Tail Lights
One Touch Indicators
Premium Soft Touch Dash & Door Panels

Black Fabric Interior Trim
Leather Wrapped Steering Wheel
Cruise Control
Digital Climate Control
Magic Seat System
Privacy Glass (Rear)
Chrome Door Handles
Rear Seat Centre Armrest
Motion Adaptive Electric Power Steering (MA-EPS)
SRS Airbags Dual Front, Side & Full Length Curtain
Amplitude Reactive Damper Suspension
Electric Parking Brake (EPB) with Electronic Brake Hold
Emergency Stop Signal (ESS)
Hill Start Assist (HSA)
Anti-lock Braking System with Electronic Brakeforce Distribution (ABS) (EBD)
Vehicle Stability Assist (VSA)

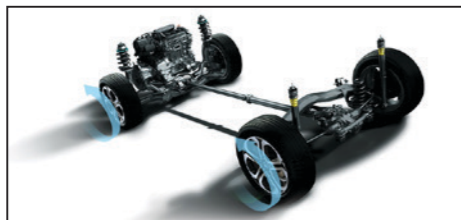

DRIVING DYNAMICS

REAL TIME AWD WITH INTELLIGENT CONTROL SYSTEM

Whether a street is completely dry or covered in snow, the HR-V helps you stay on it with Real Time All Wheel Drive. Just sticking to the tarmac? You'll still feel the difference, with the system helping improve everyday acceleration by driving all wheels off the line.

INTELLIGENT CONTROL SYSTEM

Rather than waiting for a wheel to lose traction in hydraulic four wheel drive systems, the intelligent electrically controlled AWD system transfers power to where it's needed without waiting.

EARTHDREAMS POWERTRAIN

Clever EarthDreams technology enhances both engine and transmission packages to strike a fun to drive balance between performance and economy.

ECO ASSIST

This eco conscious technology comes as standard. The ECON button helps you squeeze even more kilometres out of a litre of petrol, helping achieve the class leading economy.

SHARPER HANDLING

Dynamic design – lighter, stiffer, smarter chassis gives a more rewarding drive. High Tensile Steel & a rigid inner frame chassis provide safety, security and driver enjoyment.

AMPLITUDE REACTIVE DAMPERS

Premium European technology features inside the HR-V's shock absorbers to make rough roads more comfortable and spirited driving firmer. Two damper rates in one mean no compromise between sporty handling and ride quality.

LONG MODE

UTILITY MODE

TALL MODE

MAGIC SEATS

Honda's Magic seats are a testimony to the very best in ingenious design. The back seats don't merely fold down, they can flip up as well, resulting in 18 possible configurations for transporting almost anything.

REFRESH MODE

For an even more spacious layout. After removing the head rests and moving the front seats forward, the back seat can be tilted down to form a bed like layout offering a comfy position to relax and refresh.

LONG MODE

A surfer's dream. The passenger seat folds down to fit in objects up to 2445 mm in length. An incredible innovation, creating even more freedom.

TALL MODE

Tall Mode is the first of the really astounding innovations. The back seats cleverly flip to give you the full advantage of the height of the car from the floor to the ceiling. That's over 1240 mm of height and a whole lot of options.

UTILITY MODE

The simplest configuration - where the back seats fold down like a regular hatch. But Honda's engineers solved a little problem here as well – the seats fold completely flat, so you can slide in a chest of drawers without it snagging on the seats. This creates a maximum 1845mm long flat floor.

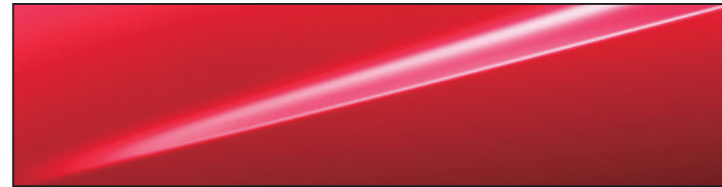

18 CONFIGURATIONS

These are just the obvious combinations. Need to transport two bikes and a baby seat? Easy. How about two sets of golf clubs, three pieces of luggage and three passengers? No Problem. The Magic Seat system will change car interior space as you know it.

INFOTAINMENT - PIONEER AUDIO

TOUCH SCREEN AUDIO

For those who want to enjoy their music in their car, the Pioneer audio system provides a powerful & intuitive CD / DVD & Bluetooth capable unit. Enjoy your music with wireless control for Audio Apps like Spotify. See what's behind you with the multi angle reversing camera, or talk to friends and family using a Bluetooth capable mobile phone.

MULTI ANGLE REVERSING CAMERA

Shift into reverse and the multi angle camera automatically displays one of four rear views on the screen. Easily switch between an normal, wide, fish eye or handy top down view. Fully adjustable static parking aid lines can be turned on to help guide you into the tightest of spaces.

APPLE CARPLAY

Apple CarPlay™ is a smarter, safer and more fun way to use your iPhone in the car. It offers easy navigation and extensive audio and communication capabilities, all while you keep your eyes safely on the road. Use Apple's highly intelligent Siri voice assistant to get directions, make calls, send and receive messages, and select your favourite music.

SPECIFICATIONS

ENGINE PERFORMANCE

1.5 litre, 4 Cylinder, 16 valve, i-VTEC, chain drive DOHC	AWD	✓
Earth Dreams Direct Injection Technology		✓
Maximum Power (kW/rpm)	96 @ 6600	
Maximum Torque (Nm/rpm)	155 @ 4,600	
Fuel Type (Octane rating)	91	

TRANSMISSION

Earth Dreams Automatic Transmission:	✓
- Automatic CVT with G Design Shift	✓
Automatic Idle Stop	✓
Hill Start Assist (HSA)	✓
Intelligent Real Time AWD	✓

BRAKING

Braking with ABS, Electronic Brakeforce Distribution (EBD), Emergency Brake Assist (EBA)	✓
Brakes - Front Ventilated Brake Discs	✓
Brakes - Rear	Disc
Electric Parking Brake with Electronic Brake Hold	✓

HANDLING

Suspension Type - Front MacPherson Strut, Rear H-type Torsion Beam	✓
Stabiliser Bars	Front
Amplitude Reactive Dampers	Front & Rear
Motion Adaptive Electronic Power Steering (MA-EPS)	✓
Vehicle Stability Assist (VSA) incorporating Traction Control (TCS)	✓
High Rigidity Inner Frame Chassis	✓

WHEELS

16" Alloy Wheels, Standard Type Silver (16 x 7.0J) with 215/60R16	✓
17" Alloy Wheels, Modulo (17 x 7.0J) with 215/55R17	Accessory
17" Alloy wheels, Mugen XJ (17 x 7.0J) with 215/55R17	Accessory
Temporary Repair Kit (TRK)	✓

SAFETY

Honda Next Generation ACE Technology	✓
Emergency Stop Signal (ESS) – Hazard Light Activation	✓

AIRBAGS

Number of Airbags	6
Front SRS Airbags, Side Airbags in Front Seats	✓
Full length Side Curtain SRS Airbags	✓

SEATBELTS

3 point ELR Seat Belts (front & back) with ALR (rear)	✓
Seat Belt Reminder	Front
Pretensioners, Load Limiters, height adjustable Anchor Points for Front Seat Belts	✓

CHILDREN

3 Child Seat Tether Points, 2 ISOFIX Sets	✓
Child Proof Rear Door Locks	✓
Auto Locking Doors (above 20km/h)	✓

FUEL ECONOMY

Official JC08 Fuel Figure (L/100kms)	AWD	5.3
ECON Switch to activate drive assist programme for improved fuel economy		✓

EMISSIONS

CO ₂ Emissions (g/km)	122.2
----------------------------------	-------

DIMENSIONS

Wheelbase (mm)	2610
Length (mm)	4330
Height (mm)	1605
Width (mm)	1770
Weight (kg)	1270
Turning Circle (Radius m)	5.3

CAPACITIES

Seating Capacity	5
Max Weight (kg)	1658
Towing Weight (kg braked)	800
Boot Capacity* (Rear seats down, load to window line)	431
Under Boot Box	11
Fuel Tank Capacity (ℓ)	40
Top Speed Limiter (Cruise Control Limiter) (km/h)	180 (110)

* Litres in VDA Standard

MULTIMEDIA

Pioneer Multimedia System with
- CD & DVD Player
- Apple CarPlay
- Wireless Audio App Control
Bluetooth calling & music streaming
Steering wheel mounted audio controls
Front and Rear Speakers
4 Angle Reversing Camera

SECURITY

	AWD
Keyless Entry with Remote Central Locking	✓
Smart Proximity Key with Push Button Start/Stop	✓
Integrated Security Alarm System	✓

INTERIOR

High Deck Centre Console with multifunction cupholders	Satin Black
Accessory Power Outlets (12V)	x2
Driver & Passenger Vanity Mirrors	✓
Cupholders	7
Interior Seat Back Pocket	Front

Headlight Auto-off (Welcome Home Function)	✓
Intelligent Auto Headlights	✓
LED Tail Lights	✓

MIRRORS

Electric Adjust & Folding	✓
Heated & Hydrophilic Water Repellent Glass	✓
Parking Curb Blindspot Mirror	✓

ELECTRONIC BRAKE HOLD

Never again will you spend your time stopped in traffic stepping on the brake pedal. Simply press the automatic Brake Hold button and the system will hold the HR-V in position without you having to step on the brake. The clever system automatically releases the brake as you press the accelerator pedal so long as the driver's seatbelt is engaged.

EMERGENCY STOP SIGNAL

The Emergency Stop Signal automatically activates the brake and hazard warning lights when it detects an emergency stop situation. The lights blink rapidly to warn following vehicles that the car is stopping abruptly, reducing the risk of a collision.

For more information, visit www.honda.co.nz or see your local dealer. Not all wheels are available on all models. Accessory wheels are sold in sets of 4 and are based on the exchange of the original new factory wheels, before delivery of the vehicle. All care is taken to ensure the accuracy of this brochure at the time of publication. Specifications, features and model availability may change without notification. International imagery may be used in places, reflecting international specifications.
