POWERTRAIN
• 1.5 litre DOHC VTEC Turbo engine with:
  - EarthDreams Direct Injection Technology
  - 140kW @ 5500rpm
  - 240Nm @ 2000-5000rpm
• EarthDreams Transmission:
  - Automatic CVT with G Design Shift
  - Eco Assist and ECON Mode

EXTERIOR
• 18" Alloy Wheels with Full Size Spare
• Halogen Projector Headlights
  - Halogen Front Fog Lamps
  - Intelligent Auto Headlights
• LED Daytime Running Lights (DRL)
• Parking Sensors (front & rear)
• Electric Tailgate® (with Programmable Height)
• Tailgate Spoiler
• Roof Rails

INFOTAINMENT
• Advanced Display Audio
  7" Touch Screen System:
  - Apple CarPlay™
  - Android Auto™
  - Inbuilt Garmin Navigation App
  - Bluetooth phone and audio connectivity
  - USB & HDMI Connectivity
  - Fast Charge USB Ports (front & 2nd Row)
  - 3 Angle Reversing Camera with Dynamic Parking Aid
  - Active Noise Cancellation (ANC)

INTERIOR
• Black Premium Fabric Interior Trim
• Smart Proximity Key with Push Button Start/Stop
• Leather Wrapped Steering Wheel
• One Touch Indicators
• Intelligent Dual Zone Digital Climate Control with Rear Ventilation
• Cruise Control with Straight Drive Assist
• Customisable Speed Alarm
• 60:40 Folding Rear Seat with ISOFIX

SAFETY
• LaneWatch Camera
• Driver Attention Monitor
• Trailer Stability Assist
• SRS Airbags Dual Front, Side & Full Length Curtain
• Agile Handling Assist (AHA)
• Motion Adaptive Electric Power Steering
• Tyre Deflation Warning System (DWS)
• Electronic Parking Brake (EPB)
• Emergency Stop Signal (ESS)
• Hill Start Assist (HSA)
• Vehicle Stability Assist (VSA)

CR-V AWD TOURING
Additional features over the 2WD Touring:
• Intelligent Real Time AWD System (E-DPS)
• AWD Torque Display

COLOUR AVAILABILITY

CR-V 2WD TOURING

CR-V AWD TOURING
CR-V 2WD SPORT 7

Additional features over the 2WD Touring:

EXTERIOR
- Panoramic Sky Roof (with tilt/slide functions)
- Intelligent Auto Rain Sensing Wipers
- Sport Emblem

INTERIOR
- 7 Seats with 2 | 3 | 2 configuration
- Sports Leather Interior Trim
- Heated Front Seats
- Power 8 Way Electric Driver’s Seat
- Driver’s Seat Memory System
- Steering Wheel Mounted Shift Paddles
- Ambient Interior Lighting (Foot & Doors)
- Intelligent Dual Zone Automatic
  - Climate Control (including Rear Fan Controls)
CR-V AWD SPORT SENSING

Additional features over the AWD Touring:

EXTERIOR
- Panoramic Sky Roof (with tilt/slide functions)
- Intelligent Auto Rain Sensing Wipers
- LED Intelligent Auto Headlights
  - Auto Levelling
  - Active Cornering Lights (ACL)
- LED Front Fog Lamps
- Privacy glass (rear)
- Hydrophilic & Heated Door Mirrors with Auto Reverse Tilt
- Sport Emblem
- Honeycomb Grille

INTERIOR
- 5 Seats with 2 | 3 configuration
- Sports Leather Interior Trim
- Heated Front Seats
- Power 8 Way Electric Driver’s Seat
- Power 4 Way Electric Passenger’s Seat
- Driver’s Seat Memory System
- Steering Wheel Mounted Shift Paddles
- Ambient Interior Lighting (Foot & Doors)
- Leather Shift Knob
- Auto up/down Windows

INFOTAINMENT
- Digital radio (DAB+)

HONDA SENSING
- Adaptive Cruise Control (ACC) with Low Speed Follow (LSF)
- Lane Keep Assist System (LKAS)
- Collision Mitigation Braking System (CMBS)
- Forward Collision Warning (FCW) (Integrated with CMBS)
- Road Departure Mitigation (RDM)
- Lane Departure Warning (LDW) (Integrated with RDM)
- Auto High-beam Support System (HSS)
COLLISION MITIGATION BRAKING SYSTEM
The CR-V incorporates a millimetre wave radar sensor, that helps mitigate the severity of an unavoidable accident by automatically applying strong brake pressure when needed.

LANE DEPARTURE WARNING
The windshield mounted camera identifies common safety markers, like lane dividers and catseye markers, and will issue an audio alert if you are about to leave your lane without signalling.

LANE KEEP ASSIST
Honda’s Lane Keep Assist System reduces the strain of extended driving by helping you maintain your lane position. If the vehicle begins to leave the centre of a detected lane without signalling, the steering automatically adjusts to keep you centred.

FORWARD COLLISION WARNING
The Honda Forward Collision Warning System uses a small camera, mounted at the top of the windshield, to determine if you are at risk of a collision with another vehicle. The system issues audio and visual signals, and will automatically apply brake pressure should you fail to react.

ROAD DEPARTURE MITIGATION
The Road Departure Mitigation system works in conjunction with the Lane Departure Warning sensors to gently correct your course, via steering and braking adjustments, in the event of the vehicle leaving a detected lane.

ADAPTIVE CRUISE CONTROL WITH LOW SPEED FOLLOW
The CR-V's onboard radar & camera sensors enable the Adaptive Cruise Control to maintain a set following interval by automatically adjusting your cruise control speed up or down when traffic is detected.

HONDA SENSING
The CR-V employs some of the most advanced safety technologies available today. Introducing Honda Sensing, an interconnected suite of intelligent driver assist technologies designed to help improve your situational awareness, and, in some cases, intervene to help avoid a collision or lessen its severity.
AUDIO & CONNECTIVITY

ADVANCED DISPLAY AUDIO
The CR-V offers the latest in smartphone connectivity, allowing you to seamlessly integrate either Apple or Android devices with the Advanced Display Audio Unit.

Apple CarPlay™ is a smarter, safer and more fun way to use your iPhone in the car. It offers easy navigation and extensive audio and communication capabilities, all while you keep your eyes safely on the road. Use Apple’s highly intelligent Siri voice assistant to get directions, make calls, send and receive messages, and select your favourite music.

Android Auto™ allows you to quickly connect your compatible smartphone for navigation, communications, music and more. By extending the Android platform in a way that’s purpose built for the car, Android Auto is designed as powerful voice actions, with safety in mind.

VOICE COMMANDS
Connecting a device featuring voice commands will enable you to create a text message, find a location, even check the weather, at the touch of a steering wheel mounted button.

GARMIN NAVIGATION APP
The CR-V comes standard with a built in Garmin Navigation App. Satellite Navigation from Garmin means you always know the best way to go, even if you do not have an active smartphone connection.

MULTI ANGLE REVERSING CAMERA
Shift into reverse and the multi angle camera automatically displays one of three rear views on the Advanced Display Audio Unit. The CR-V combines information received from parking sensors and steering, to perfectly project and display your path as dynamic guidelines overlaid on the reversing camera feed.

LANEWATCH CAMERA
Honda’s LaneWatch Camera is the next step in blind spot detection. When indicating left, or at the push of a button, a camera mounted under the passenger wing mirror shows a sweeping 80˚ view — making lane changes safer than ever.

DRIVER INFORMATION INTERFACE
A quick glance behind the steering wheel shows what’s playing, who’s calling and almost everything else you need to know including outside temperature, average fuel consumption, trip metre and distance to empty.

DRIVER ATTENTION MONITOR
Sometimes it’s hard to keep your focus on the road. The clever new CR-V has your back with it’s Driver Attention Monitor system. Utilizing electronic & steering inputs to calculate driver awareness, the CR-V then offers four gradual visual, audible and tactile alerts to get you back on track.

**EARTHDRIVE POWERTRAIN**

Get a more responsive and dynamic drive from the moment you set off thanks to Honda’s clever EarthDrive technology. Both engine and transmission packages are enhanced to deliver a unique mix of driving enjoyment with outstanding environmental performance.

**VTEC TURBO**

Honda’s VTEC Turbo is the turbo engine reimagined, achieving both excellent fuel economy and the fun of driving. Turbo engines were traditionally powerful - at the cost of fuel efficiency - but that has completely changed with the VTEC Turbo.
